Wednesday Dinghy Racing aims to provide a relaxed friendly atmosphere particularly for those new to racing. Both Early and Late Series will have up to 2 races per day on the “Normal” race days. Races will be held in the Keyhaven creeks or just outside the river entrance, usually with a pontoon start. Advertised time is the Start of the first race. Briefing at the club will start 60 minutes before the advertised start time and will begin with an informal discussion on racing technique and may include a practice session before the start. Entry by signing up at the clubhouse on each race day 45 minutes before the start. Sailing Instructions available on HCSC website or noticeboard.
